Re: Freedom of Information Act (FOIA) Request Number 10-RIN-00551-97

Dear Mr. Larsen:

This correspondence is in response to your FOIA letter received by the U.S. Environmental Protection Agency (EPA) on July 31, 1997, in which you requested to review the EPA Region 10 files on Mapco Alaska Petroleum, Inc.

On August 18, 1997, your representative Charlie Hughes conducted a file review of the Mapco Alaska Petroleum, Inc. facility files. At that time, Mr. Hughes indicated that he did not want any files copied. In a conversation with Dawnee McCulley of the Office of Waste and Chemicals Management on August 29, 1997, you concurred that you did not need any files and the FOIA request could be considered completed. You may wish to contact the Alaska Department of Environmental Conservation to inquire whether they have additional information responsive to your request. Their address is included as Enclosure #1. We are also enclosing Internet information on the Region 10 Homepage that you may find helpful in the future.

The cost of responding to this FOIA request from a commercial requestor is \$4.00. This fee consists of the following charges:

Search & Retrieval Time: \$4.00 for one-half hour at a cost of \$4.00 per each one-half hour or portion thereof

However, pursuant to 40 CFR \$2.120(a)(5)(v), the fee is waived.

This concludes the EPA Region 10 response to FOIA request number 10-RIN-00551-97.

Sincerely,

Judy Stone, Acting Manager
Resources Management and State Programs Unit
